

Let's Go Crazy!

June 7, 1958-April 21, 2016

Dearly Beloved, we are gathered here to celebrate this thing called life. . .and the man behind the music. ♀

It has been over a year since the passing of our beloved musical magician, the creative genius from Minneapolis, Minnesota—Prince Rogers Nelson. ♀

Please join us at the Maine Holistic Center on Friday, June 2 starting at 8 pm for a "Let's Go Crazy" Prince birthday dance party to celebrate the man and his music.

Put on a funky outfit, grab your delirious friends, bring your favorite Prince tunes and other dance music, and let's go, let's go. . .!! Let's party like it's 1999!! ♀

"...If you don't like the world you're living in/Take a look around you/At least you got friends. . .
We're all excited/But we don't know why/Maybe it's cause/We're all gonna die
And when we do (When we do)/What's it all for (What's it all for)
U better live now
Before the grim reaper come knocking on your door. . .
Are we gonna let the elevator bring us down
Oh, no let's go!/Go crazy"
